

Sign Up for Discovery Day!!!

DHIT/HIV/
Innovation Sprint

NEW ORLEANS, LA

Discovery Day is where the HIV Innovation Sprint begins.

Discovery Day is where you will meet your fellow HIV prevention advocates and innovators.

Discovery Day is where discussions with your experts and peers equip you with the resources you need to begin ideating on solutions for HIV prevention.

Discovery Day will include:

- ▶ Community panel discussion and insights breakout session
- ▶ Introduction to open innovation and design thinking
- ▶ Empathy mapping and problem statement development
- ▶ Team formation for the remaining steps of the Sprint
- ▶ End-of-day Happy Hour

THE HIV INNOVATION SPRINT STARTS WITH **DISCOVERY DAY** ON **FRIDAY, DEC. 6 AT PROPELLER**

The HIV Innovation Sprint is your chance to help develop new solutions for HIV prevention.

It's about connecting innovators with the community — where the needs are greatest — to create new ideas that can help advance the end of the HIV epidemic.

- ▶ FREE to participate
- ▶ Help drive innovation and health improvement
- ▶ Get access to real-world problems and subject matter experts
- ▶ Receive applied learnings on open innovation and human-centered design
- ▶ Be part of a like-minded community who wants to develop solutions
